~~XXXXXXXXXXXXXXXXXXXX~~

Mr. Stirling T. Phelps  
County Attorney  
Webb County  
Laredo, Texas

Dear Mr. Phelps:

Opinion No. 0-255  
RE: May Webb County Issue Bonds or  
Warrants to Raise Funds with  
which to Acquire Property and  
Erect Buildings for the Purposes  
covered by Art. 2372D, R. C. S.  
1925, County Horticultural and  
Agricultural Exhibits, Section 1

In reply to your letter of January 11, submitting the above captioned question to this department for an opinion, please be advised that we are hereby adopting the opinion of this department as rendered November 4, 1938, and which opinion was in answer to a similar question submitted on October 24, 1938.

As indicated in your recent letter, there has been some change in the plans of the Commissioner's Court with reference to the set-up for the buildings as set forth in your first inquiry. We are of the opinion that such change, as in suggested in your last communication, does not in anywise affect our previous ruling in this matter.

Accordingly, you are respectfully advised that the Commissioners' Court of Webb County has the right, under the law, to order an election to determine whether or not bonds should be issued for the purpose of building the necessary building pursuant to Article 2372D.

It is our further opinion that the Commissioners' Court would have the right to issue warrants for this purpose, but must be issued as provided by Article 2368A.

Yours respectfully
